James D. Miner, M.D., Board chairperson, called the meeting to order and proceeded with roll call.

Dr. Miner asked if there were any additions, corrections or deletions to the Board meeting minutes for the June 16, 2009 meeting. There were none. Mrs. Irwin made the motion to approve. Mr. Pfeifer seconded the motion. The June 16, 2009 Board meeting minutes were unanimously approved.

The next agenda item was General Ordinances and Resolutions. Dr. Miner requested that General Ordinance No. 2-2009,

“An Ordinance Establishing the Annual Budget of the Health and Hospital Corporation of Marion County, Indiana for the Fiscal Year Beginning January 1, 2010 and Ending December 31, 2010”

be presented for the first reading. Priscilla Keith, general counsel, stated that she has a letter from Mrs. O’Laughlin requesting that General Ordinance No. 2-2009 be presented for the first reading. Mrs. O’Laughlin read the letter. Mrs. Keith read General Ordinance No. 2-2009. Dr. Miner asked if there were any comments. Mr. Sellers, treasurer, gave an explanation of the ordinance. Mr. Gutwein, president and CEO, emphasized that the fiscal year 2010 HHC budget does not raise property taxes, freezes spending except for employee raises, and allows all corporation goals to be achieved. General Ordinance No. 2-2009 will be presented for the second reading at the August 4, 2009 Board meeting (Budget Hearing).
Dr. Miner continued by requesting that the agenda be revised to include Resolution No. 10-2009,

“(1) Requesting: (a) the Marion County Auditor to Certify the Public Question to the Marion County Election Board; and (B) the Marion County Election Board to place the Public Question on the Ballot at the Special Election to be Held on November 3, 2009; and (2) Authorizing Actions in Connection Therewith.”

Mrs. O’Laughlin made the motion for Board approval of Resolution No. 10-2009. Mrs. Journey seconded the motion. Resolution No. 10-2009 was unanimously approved.

Next, Dr. Miner presented the “Bylaws and Policies” for Board approval. The Hospital Committee discussed and recommended approval of Policy No. 700-116, “Personal Physicians in the ED,” and Policy No. 700-117, “ED Admission Decisions.” Dr. Crabb made the motion to approve. Mrs. Irwin seconded the motion. Policy No. 700-116, “Personal Physicians in the ED,” and Policy No. 700-117, “ED Admission Decisions,” were unanimously approved.

Mr. Sellers, treasurer, presented the July 2009 Treasurer’s Report. At $75.2 million, June 2009 disbursements are above the 2009 average monthly disbursement amount of $71.1 million. The increase is primarily due to IU Medical Staff support fees being made for the months of May and June and payment of the July 2nd payroll taxes in June. Mr. Pfeifer made the motion to approve and Mrs. Irwin seconded the motion. The June 2009 Cash Disbursements were unanimously approved.

Mr. Sellers stated that General Ordinance No. 2-2009 would be presented for the second reading at the August 4, 2009 Board meeting (Budget Hearing). He also stated that the Municipal Corporations Committee of the City County Council would review the HHC budget on August 25, 2009, and the full City County Council would vote on the budget at the September 16, 2009 meeting.

Mr. Sellers continued with the June 30, 2009 Revenue and Expenditure Budget Analysis. He stated that HHC is expected to receive 100% of its allocated tax revenues. Total Revenues are better than budget. Public Health Revenues are over budget. Headquarters Revenues are over budget. Grant Revenues are over budget, which is due to $8.2 million in grant revenues that have yet to be received. Because grant revenues are equal to grant expenditures, those items that are encumbered are not recognized as revenue
until spent. In the Expenditures category, Personal Services are under budget. Supplies are over budget. Other Services and Charges are over budget. Inter-Governmental Transfers (IGTs) are over budget, which reflects IGTs to the state. Capital Outlays are over budget. WHS Support payments are at budget. No expenses were budgeted for Long-Term Care Support in 2009. Mr. Sellers asked for approval. Mr. Fehribach made a motion to approve and Mrs. O’Laughlin seconded the motion. The June 30, 2009 Revenue and Expenditure Report was unanimously approved.

The Medical Staff Appointments for July 2009 were presented next. Dr. Lisa Harris stated the appointments have been reviewed and approved by the Medical Executive Committee.
